

ROSARY PRAYER GROUP

APOSTOLATE OF PRAYER AND SPIRITUAL FORMATION

A Rosary Prayer Group can start anywhere and meet at any time. A good rhythm is a meeting every week, but once a month should be a minimum.

A family is by itself a group that must pray together. However, groups may meet after any kind of social gathering or event: friends, work, school, college, etc.

It is very fitting to have a statue of our Lady honored with candles and flowers, if possible.

The meeting starts with the **gathering of intentions** that are given by the leader of the group.

The Rosary is prayed devoutly with the meditation of the Mysteries. Before each decade a short meditation will be of a great help.

After the Rosary, the leader or his assistant will give a talk of **30 to 40 min. on Catholic doctrine** with the intention of presenting properly and positively our Catholic Faith.

In the end, **a summary of the talk must be given to the participants.** You can load it from the website RosaryPrayerGroup.org.

If there are **questions**, a time may be dedicated to discussion. However, this part may be sensitive and has to be handled with great humility. In case of doubt, announce that the answer will be given at the next meeting. Help will be given in contacting:
